NSE index NIFTY close 21.65 points down at 24509.25 during the today's trading session. HDFC, INFOSYS, LT & M&M are among the top index movers. Now, for tomorrow as Budget is tomorrow and NIFTY stand on the support and form an indecision candle named Doji, from where we might see a Gap Up opening in the index and due to the Budget we can see high volatility in the market so we are expecting that the market will traded both side tomorrow. As BUDGET is expecting positive so we might see upside move tomorrow. NOTE : No Trade is also a Trade.
